UCN · Received in Feb 2021

Interests

Sustainability, skincare, fitness, houseplants, thrift shopping

Experience

Freelance Web Designer

manlitang.design · Freelance · June 2020 - Present · Remote

On request by web agencies, I design websites for small businesses from various industries.

Brand Designer

Mylium · Internship · Aug 2021 - Oct 2021 · Wageningen, Netherlands

I developed a brand strategy & identity, created a social media marketing strategy, redesigned their website and built it in Wordpress.

Web Designer

Swoop Media · Part-time · Aug 2020 - Oct 2021 · Aalborg, Denmark

I built Wordpress websites for restaurants and takeaways, have designed an online ordering system and conceptualized a loyalty app.

Front-end Developer

FIGHTCLUB · Internship · Jan 2020 - Mar 2020 · Breda, Netherlands

I built e-mail templates, designed new elements for existing websites, worked with Wordpress and built websites with a SCSS framework.
